

Club News

Louise Gibbs

As I write, we have just had a super weekend at the Goodwood Revival. We were there principally with our sister company, Porter Press, but we had a steady flow of club members to the stand, which is always such a pleasure. We will have a full report from editor, James Page, in the next issue.

Alex and Aza Holis, Club Representatives from Greece (pictured), travelled to the Revival, as did David Hughes from Australia. Steve Beeson, who had kindly coordinated the club entries for the Hampton Court Concours of Elegance earlier in September, also visited us. The turnout of member-owned cars at Hampton Court was the best-ever and you'll see a full report in the next Gazette. Our Representatives often attend events such as Sherborne Classic Car Show and the Helmingham Hall Car Show, but we (the Club HQ team) would love to attend more such classic car events ourselves and we would welcome suggestions from you.

Club Representative for the South Midlands, Roger Charlesworth, has resigned from the role

– our grateful thanks to him. We welcome Martin Reynolds as the new Representative for that area and look forward to hearing from him about planned activities.

It's October already, and we'll soon be thinking about Christmas. Sarah has designed some new club Christmas cards – we'll circulate photos and information in a month or so.

Christmas is a time when many of you will be deciding where to take your XK next year. The event calendar is filling up nicely – from the one-day Masterclass at CBR Restorations to the two-week tours to Morocco, France and Spain. For more details on any of the events you see listed on page 55 or on the club website, just email me on louise@xkclub.com.

Upcoming Event
