Together with well-known Ennstal-Classic participants such as Thomas Voglar, our club members Walter Wawronek, Max Lauda and Helmut Kus attended this successful event, which took place respecting all COVID-19 limitations.

Austria – 31 Jags have been ‘On the road again’ Tour, 5 July

The first day-tour from the West region took place on 5 July and 31 Jaguars were thankfully ‘On the road again’, writes **Christian Mitterdorfer**.

Our member Christopher Winter invited us for a tour of his company TurnTools in Wels. With sweets and coffee tasting from a local supplier, the participants got plenty of chances for ‘talking shop’ after the long break.

The route led through Hausruck and Innviertel on side roads, across Kobernausserwald to Mattighofen, where we visited the KTM-World. After the guided tour, we had lunch. The last leg led from Schneegattern through Frankenmarkt back to Wels.

We would like to express our special thanks to our members for the participation, to Christopher Winter for hosting the morning part of the tour, and of course to Michael Lackner for the organisation.

Greece – Two Seas Tour, 13 September

During COVID restrictions rules, when in many regions of Greece gatherings of more than 50 people were forbidden, Jaguar Club of Greece applied its own rule – ‘small, exclusive and safe’, writes **Alex Holis**. In fact, since the beginning of the lockdown, we ordered and sent special fabric masks with the logo of the Jaguar Club of Greece to all members. That’s why we were able to safely enjoy this late summer tour to the coasts of two seas: the Saronic and the Corinthian.

Our meeting point for a relax and swim was at the beautiful beach bar ‘Wet Seaside Puzzle Café’ on Vareas Beach, near Megara on the Saronic Gulf.

After a refreshing pitstop, our 10 cars started to drive on the winding and panoramic route to the Monastery of Agios Ioannis Prodromos, dated 1754. There a guided tour and the traditional sweet delights from the nuns were waiting for us.

From the green lush vegetation of the mountain we descended in front of the crystal blue waves of the Corinthian gulf at the Taverna Thalassa in Kato Alepochori. Although it was fully booked, they provided us with a dedicated space to ‘anchor’ our Jaguars and a private area just for us to enjoy at a safe distance a delicious meal with great sea view.

REPRESENTATIVES NEEDED

We do have some regions where we are seeking Representatives. In some cases, we are looking to fill the shoes of a stalwart Rep who has decided to step back. Some areas have not had any representation for a while, and some areas are new, where we have divided a larger region into more manageable chunks. If you are based in **Western Australia, Texas, Italy, South Africa, South Wales, Worcestershire or Herefordshire**, please contact erika@e-typeclub.com

If you have any events coming up, please do make sure to let us know so we keep the calendar updated, and also let us have reports/photos of any events you have held or attended recently – if you haven't done so already!
